

Our Evangelism - 3D in Every Context

No matter the time or situation, whether corporately or individually – our sharing Christ should follow the way of The Master 3-Dimensional:

- ⊙ MISSIONAL in Purpose
- ⊙ RELATIONAL in Outreach
- ⊙ CONVERSATIONAL in Witness

The Christian's Thoughts

- ⊙ Getting the world's attention
- ⊙ New challenges, opportunities, and strategies while Sharing the SAME CHRIST
- ⊙ Understanding the Plea for Unity and Restoration of New Testament Christianity

Evangelism Preliminaries

- ⊙ **First**, let's not underestimate the power of prayer: We are co-laborers with Christ so communicating with our teammate /leader is always of first importance.
- ⊙ Pray that God prepare us and bring those whose soil is good and ready for the gospel our way.
- ⊙ To be more precise, you're surrounded by soil—all kinds of soil. In your community, you have people who are ready to respond to the Gospel and people who aren't.

The Wise Sower

- ⊙ In the Parable of the Sower, Jesus explained that there are *hard hearts, shallow hearts, distracted hearts, and receptive hearts*.
- ⊙ We're called to catch fish and help lost sheep—not corral goats! "If the fruit is ripe, you don't have to yank it!" So let's focus our energy on the right soil – the curious and receptive.
- ⊙ Spiritual receptivity comes and goes in people's lives like an ocean tide. People are more open to spiritual truth at certain times than at others.
- ⊙ Many factors determine spiritual receptivity. God uses a variety of tools to soften hearts and prepare people to be saved.

Identifying Soft Soil

So who are the most receptive people?

People in transition and People under tension

- ⊙ That's because God uses both change and pain to get people's attention and make them more receptive to the message of Christ.
- ⊙ Once you know who your target is, who you are most likely to reach, and who are the most receptive people that God gives you opportunity to reach, the only thing left to do is...you guessed it... REACH!
